## New Additions!

### Available only at Cuistot

#### ZINFANDEL, GALLEANO WINERY, JOYA DEL CUCAMONGA, Old Vines Cucamonga Valley

If Zinfandel was made in France, this is what it would taste like! A light and spicy wine that is not your typical California style fruit bomb. It will pair well with most red meat entrees.

From the birthplace of California wine, the Cucamonga Valley is where the missionaries planted the first vines back in the late 1700s. The Galleanos have been making wine in Mira Loma since the 1920s.

Available by the glass \$12 & bottle \$55

<i>Tucked between the La Tâche and Romanée Conti vineyards, this very special small plot produces exquisite wines. The classic 2005 vintage shows a highly spiced red berry nose with a hint of menthol. This medium-full bodied wines' flavors are classy, refined and generous, followed by a very long, persistent finish. Fred Gerber</i>			

## DOMAINE DE LA ROMANÉE-CONTI

*These wines are often referred to as being amongst the very best and most sought after in the world.*

*Located in the village of Vosne-Romanée, the domaine was given its name by the Prince of Conti in 1760. The plot Romanée-Conti was first planted to vines in the 12th century by the monks of Saint Vivant with wild pinot noir from the local forests. Cuistot is proud to offer a selection of Romanée-Conti for your pleasure:*
