## Cuistot Corkage Policy

In effect as of 1 October 2016

**Cuistot's Corkage (BYO) policy has changed.**

**Please read the following carefully before bringing your wine to the restaurant.**

### Corkage Fees

375ml Bottle: - \$15 + tax + gratuity

750ml Bottle: - \$25 + tax + gratuity

1500ml Bottle (Magnum): - \$40 + tax + gratuity

All other sizes by prior arrangement only.

### Quantities

All quantities are per party, defined as being under the same booking, irrespective of number of guests.

Cuistot will allow up to TWO 750ml bottles of wine, or the equivalent volume, per party to be brought into the restaurant.

Cuistot retains the right to refuse any BYO bottles above TWO bottles per party.

In exceptional circumstances and by **prior arrangement only**, Cuistot will allow more than TWO bottles of wine for one party and a total corkage fee will be agreed upon beforehand.

### Corkage Fee removal

Cuistot will remove one corkage fee for every bottle of wine purchased from the wine list, and/or for every \$50 per party spent at the bar.

### Wine Vault

Cuistot, in agreement with Wine Vault, will remove **one corkage fee per party** on the production of a valid Wine Vault card. This is irrespective of the number of people in the same party with valid Wine Vault cards.

### Exceptions

Any exceptions to the above are by prior written agreement only.
